the senses

## Welcome to Sento

Sento translates as *I listen, I feel* which embodies our philosophy of providing customers with luxurious and exclusive beauty therapy experiences.

We offer a complete mind, body and soul experience from our internationally designed interior and relaxing, hand-picked aromatics, to our soothing music.

Our professional therapists are well trained in the art of total indulgence providing traditional through to exotic treatments.

We recognise everyone is an individual and are more than happy to work with you and create a truly personal beauty experience.

We trust you enjoy the Sento experience and look forward to welcoming you again soon.

Samantha Persico, Director, Sento

# Facials

We offer a range of superb professional treatment services as well as salon exclusive professional beauty products for you to use at home. Our experienced staff are committed to attending to your individual skin concerns and providing you with the best possible results. To do this we use specialised equipment and products to analyse and treat your skin whilst recommending the correct home support to maintain our salon treatments.

At Sento Beauty Therapy we take treating your skin very seriously. Whether your desire is to relax and rejuvenate or to treat a particular skin condition that concerns you, our expert staff have the perfect solution. Because we have built our reputation on being experts in skin, we offer a full diagnostic skin analysis. This is an important ingredient in recommending the perfect individualised skin treatment programme to achieve results you desire.

We specialise in:

- Age management treatments
- Relaxation and pampering packages
- Micro-dermabrasion
- Acne prone skin conditions
- Pigmentation and uneven skin colour
- Peels and exfoliations
- Sun damaged skin rejuvenation
- Firming and toning skin solutions
- IPL hair removal and skin rejuvenation.

## Special Offers

As part of our ongoing commitment to providing our guests with exceptional service and choice, Sento Beauty Therapy regularly offers special facial packages with loads of additional extras. These packages usually highlight a particular facial treatment that will suit the majority of our clients who want to be absolutely pampered. Check online for latest specials and contact our expert staff to discuss if the current special offer is suitable for your skin type.

## Environ Facial Sequence

For the ultimate in skin rejuvenation, a non-surgical option that uses sound waves to penetrate Vitamin A and C deeply into the skin. Using the Environ lonzyme DF machine is most effective for enhancing penetration of vitamins into the skin, which will give you younger, brighter, firmer skin. # Intense Pulse Light (IPL)

At Sento, we have an independent IPL technician who visits our clinic every four weeks to perform the advanced IPL treatments.

## Permanent Hair Reduction

The IPL system of hair removal is the most advanced form of hair removal technology on the market today. This safe, effective, and non-invasive method gives permanent hair reduction for all parts of the body.

## Skin Rejuvenation

The combination of light and short time heat transmission stimulates your skin (stimulating collagen and elastin) giving visible improvement in skin texture and tone. Skin Rejuvenation is also intended for selective treatment of a variety of vascular and pigmented skin conditions – including Rosacea, “broken” vessels and sun spots.
